

2021 CQHA/AQHA GRANT FUNDING APPLICATION FORM OCT. 1, 2020 – SEPT 31, 2021 (Grant Period)

Deadline to submit: June 1, 2021

The CQHA mandate, approved by the Board of Directors in 2001, is posted on our website as follows: "The CQHA shall exist to address issues of concern to Canadian owners of American Quarter Horses; to be a communications vehicle for and with Canadian owners of American Quarter Horses; and to promote and market – both globally and within Canada – Canadian-bred and/or Canadian-owned American Quarter Horses."

The CQHA's main purpose is to support and promote the development of the Canadian Quarter Horse industry in Canada and abroad. CQHA also strives to support the hard work of all the Provincial/Regional Affiliates.

Currently, the AQHA annually allocates Funds to CQHA to be used to support, promote and develop American Quarter Horse activities in Canada. The CQHA in turn administers the allocation of these funds in the form of Grant funding to the Provincial and Regional AQHA Affiliates and other events that use AQHA horses to financially assist them in achieving these AQHA objectives in Canada using the Category criteria listed below.

The current objectives for Grant funding include activities to encourage the expansion of the AQHA and CQHA membership, AQHA registrations, the marketing of the American Quarter Horse, the understanding and protection of the breed integrity as well as the discovery of the American Quarter Horse's many talents. A vast number of activities can achieve these objectives. The Budget Committee examines applications with a view to allocating available funds to activities that will achieve and support these objectives.

The following pages contain the 3 Categories eligible for Grant Funding as set out by AQHA.

The following pages also contain application information, who is eligible to apply, conditions for applying, Grant application forms, post financial reports and post event reporting forms.
